It attracted much attention on that occasion but has not been used since. Yesterday Mr. Campbell had it brought to the Pantheon stables and asked Jim Dodd if he remembered the day he drove it out to the park, and then and there made him a present of the vehicle. The cart is almost as good as new, and its new owner will have it fixed up and put it into use in his future daily drive to the beach.

MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry, which positively turns gray hair back to its original color without dye. I personally endorse its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved it to be the only Hair Tonic. It stops hair-fall, immediately and creates a luxuriant growth. Contains no injurious ingredients. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.

All druggists. Price \$1; also Yale's Skin Food, \$1.50; Yale's Complexion Cream, \$1; Yale's Face Powder, 50c; Yale's Beauty Soap.
